LETTER FROM SHARI

Hi, I'm Shari Rigby for Pure Flix. When God called me to the entertainment world I had no idea what lay ahead for me. But He called me to take a leap of faith and step outside of my comfort zone. And when He brought me to Hollywood, I thought His plan was for me to be a movie star. Instead, He placed the women in Hollywood on my heart and I realized it was about serving others and serving those He needed me to reach.

This is why I have been praying to be a part of a team like Pure Flix for years.

More than we might want to admit, what we watch impacts how we think, the way we feel, and for some of us what we learn. And with endless entertainment options, our homes are no longer a safe haven from questionable agendas and offensive content.

But not with Pure Flix. Pure Flix is a streaming service that prioritizes God-honoring stories and allows you to stream encouraging and inspiring entertainment in your home and on all your devices.

Set your minds on things above, not on earthly things. – Colossians 3:2 (NIV)

The Book of Colossians warns us to set our minds on the things of God and not on the world. For me, Pure Flix is another tool I use to be uplifted, comforted and to grow nearer to God. What you choose to stream can become a part of the armor you put on daily to equip yourself to navigate our broken, but also beautiful, world.

With Pure Flix, it's not just movies. It's a movement.
